MYSORE DIVISION.

Abstract Notification dated 18th July 1935.

The attention of the public is invited to the detailed notification, calling for tenders for repairing the Arch Bridge of two spans in 3/2 of Nelligere-Sira Road, Nagamangala Taluk, published in pages 1454-1455 of the Part VI of *Mysore Gazette*, dated the 25th July 1935.

Tenders will be received up to 2 P.M. on 3rd August 1935.

Abstract Notification dated 25th July 1935.

The attention of the public is invited to the notification, dated 15th July 1935, published in page 1454 of Part VI of the *Mysore Gazette*, dated 25th July 1935, calling for tenders for repairs to the roads in the Mysore District for three years from July 1935. The last date for receipt of tender is postponed from 27th July 1935 to 12th August 1935."

Notification dated 29th July 1935.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 17th August 1935, for Restoring Kalethimmanahalli Karadikere Registered No. 190, Periyapatna Sub-Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 145 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Kalethimmanahalli Karadikere Registered No. 190 of Periyapatna Sub-Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, Mysore Division, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office, in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
